Questions:

Q1. Quick request for clarification. KSU's response did not state who is responsible to run the power line to the sign site. Is the successful vendor or KSU?
A1. It will be the successful vendor's responsibility.

Q2. Trying to verify if there was a 500' electrical run added as an addendum. Also wondering if there is a budgetary number you are trying to achieve?
A2. The budget can't be disclosed at this time. Please see A1 response as well.
