The K-State Director of Purchasing may terminate performance of work under this contract in whole or in part whenever, for any reason, it is determined that the termination is in the best interest of the State of Kansas. In the event that the K-State Director of Purchasing elects to terminate this contract pursuant to this provision, he/she shall provide the Contractor written notice at least 30 days prior to the termination date. The termination shall be effective as of the date specified in the notice. The contractor shall continue to perform any part of the work that may have not been terminated by the notice.
14. **RIGHT AND REMEDIES**: If this contract is terminated, the State, in addition to any other rights provided for in this contract, may require the Contractor to transfer title and deliver to the State in the manner and to the extent directed, any completed materials. Causes may include, but are not limited to, acts of nature, fires, quarantine, strikes other than by the Contractor’s employees, and freight embargoes.

In event of termination, the Contractor shall receive payment prorated for that portion of the contract period services were provided to and/or goods were accepted by the State.

The rights and remedies of the State provided for in this contract shall not be exclusive and are in addition to any other rights and remedies provided by law.

15. **WAIVER**. Waiver of any breach of any provision in this contract shall not be a waiver of any prior or subsequent breach. Any waiver shall be in writing and any forbearance or indulgence in any other form or manner by the State shall not constitute a waiver.

16. **HOLD HARMLESS**. The Contractor shall indemnify the State against any and all claims for injury to or death of any persons; for loss or damage to any property; and for infringement of any copyright or patent occurring in connection with or in any way incidental to or arising out of the occupancy, use, service, operations or performance of work under this contract.

The State shall not be precluded from receiving the benefits of any insurance the contractor may carry which provides for indemnification for any loss or damage to property in the contractor's custody and control, where such loss or destruction is to State property. The contractor shall do nothing to prejudice the State's right to recover against third parties for any loss, destruction or damage to State property.

17. **PROHIBITION OF GRATUITIES**. Neither the Contractor nor any person, firm or corporation employed by the Contractor in the performance of this contract shall offer to give any gift, money or anything of value or any promise for future reward or compensation to any State employee at any time.

20. **MODIFICATION**. This contract shall be modified only by the written agreement of the parties with the approval of the Director of Purchasing.

21. **ASSIGNMENT**. The Contractor shall not assign, convey, encumber, or otherwise transfer its rights or duties under this contract without the prior written consent of the State which consent will not be unreasonably withheld or delayed. 23. **CAPTIONS.** The captions or headings in this contract are for reference only and do not define, describe, extend, or limit the scope or intent of this contract.

Kansas Law and Venue: All matters arising out of or related to this contract shall be subject to, governed by, and construed according to the laws of the State of Kansas, and jurisdiction and venue of any suit arising out of or related to this contract shall reside only in courts located in the State of Kansas.

3. Disclaimer Of Liability: No provision of this contract will be given effect that attempts to require Kansas State University or any of its controlled corporations (collectively “University”) to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The terms, conditions, and limitations of liability of the State of Kansas, the University, and their employees are exclusively defined under the Kansas Tort Claims Act (K.S.A. 75-6101, et seq.).

4. Arbitration, Damages, Warranties: No interpretation of this contract shall find that the University has agreed to binding arbitration, or the payment of damages or penalties. Further, the University does not agree to pay attorney fees, costs, or late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect that attempts to exclude, modify, disclaim or otherwise attempt to limit any damages or rights of action available to the University at law, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

5. Responsibility For Taxes: The University shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this contract.

6. Insurance: The University shall not be required to purchase any insurance against loss or damage to property or any other subject matter relating to this contract, nor shall this contract require the University to establish a “self-insurance” fund to protect against any such loss or damage.

7. Acceptance Of Contract: This contract shall not be considered accepted, approved or otherwise effective until the required approvals and certifications have been given, including, but not limited to, the signature of an authorized representative of the University as defined in the University Contracts Policy: https://www.k-state.edu/policies/ppm/3000/3070.html.

8. Authority To Contract: By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.

9. Export Control: Prior to providing University with any items under this contract that are subject to export controls regulations, including items controlled under the International Traffic in Arms Regulations (ITAR), 22 C.F.R. §§ 120-130, or the Export Administration Regulations (EAR), 15 C.F.R. §§ 730-774, Contractor will notify University and identify the export controlled items at issue and the applicable categories and subcategories of the United States Munitions List and/or Export Control Classification Number(s). University reserves to right to decline to accept any items or information controlled under ITAR or EAR. Contractor will direct all notices under this section to the appropriate University contact as follows: comply@k-state.edu.

10. Privacy of Student Records: Contractor understands that the University is subject to FERPA (Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g). To the extent Contractor possesses any education records of University’s students under this contract, Contractor is deemed to be a school official with a legitimate educational interest in the records and Contractor agrees to comply with FERPA and its regulations. Contractor specifically agrees that it shall use personally identifiable education records only for purposes related to this contract, and shall not disclose such records to any third party without authorization from the University. Contractor shall promptly report to the University any request for, or improper disclosure of, University student educational records.

11. Anti-Discrimination Clause: Contractor agrees to comply with all applicable state and federal anti-discrimination laws. When requested by University, Contractor shall cooperate with University in meeting obligations under University’s own policies and procedures, including University’s anti-discrimination policy: http://www.k-state.edu/policies/ppm/3000/3010.html. Contractor specifically acknowledges that its employees on campus and/or participating in University programs or activities have reviewed, understand, and will comply with University’s anti-discrimination policy. Contractor also agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001, et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111, et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101, et seq.) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (b) to include in all solicitations or advertisements for employees, the phrase “equal opportunity employer”; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if the contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission or if it is determined that the contractor has violated applicable provisions of ADA, such violation(s) shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the University.

12. Information/Confidentiality: As a state agency, the University’s contracts are generally public records, and therefore no provision of this contract shall restrict the University’s ability to produce this contract in response to a lawful request or from otherwise complying with the Kansas Open Records Act (K.S.A. 45-215, et seq.). Moreover, no provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101, et seq.

13. The Eleventh Amendment: The Eleventh Amendment is an inherent and incumbent protection of the State of Kansas and need not be reserved, but prudence requires the University to reiterate that nothing in or related to this contract shall be deemed a waiver of the Eleventh Amendment.

14. Campaign Contributions / Lobbying: Funds provided through a grant award or contract shall not be given or received in exchange for the making of a campaign contribution. No part of the funds provided through this contract shall be used to influence or attempt to influence an officer or employee of any State of Kansas agency or a member of the Legislature regarding any pending legislation or the awarding, extension, continuation, renewal, amendment or modification of any government contract, grant, loan, or cooperative agreement.
